

IDAHO STATE ARCHIVES

FY 2011 goals and objectives

IDAHO STATE HISTORICAL SOCIETY

GENERAL PROGRAM STATEMENT

ISA is a division of the Idaho State Historical Society. Charged by legal statute, ISA strives to provide access to, and transparency of, the state and local government records that it collects, manages, and preserves for the citizens of Idaho. ISA's records collection are of administrative, legal and historical value. This collection of public records includes, but is not limited to: newspapers, books, periodicals, oral histories, military records, maps, blueprints, photographs, microfilm/fiche, digital assets, and business and organizational records.

MAJOR GOALS AND OBJECTIVES

- Permanent Archives Funding: Through an archival team approach highlight the "essential" services for the citizens of Idaho and their government with an empowered and united staff to plan, execute, provide access and deliver high quality customer service in support of the archives funding task force.
 1. Fulfill tasks assigned by the Archives Funding Task Force
 2. Continue to implement ISA restructure plans of action
- Implement Phase I of the NHPRC Territorial Grant
- Implement the ITD Project
- Pursue funding and replacement of RE:Discovery with an archival collections management software.

Ongoing

- Increase on-line collection content and resources to allow easy access to information for the public
- Continue membership in Northwest Digital Archives
- Continue participation in Idaho Digital Archives consortium
- Participate in the SHRAB and SNAP Grant Process
- Continue participation in Teaching American Grant with Kuna Schools
- Develop program for Documentary Heritage Month activities in collaboration with the Idaho Genealogical Society
